Pumpkin globe project

Here's what you need to include on your pumpkin globe:

Not every longitude and latitude line needs to be included, but be sure to include the most important ones!
(Prime Meridian and Equator, use classroom map for resource)

- Latitude lines (5 points)
- Longitude lines (5 points)

Using an atlas, world map, or iPad you can draw an outline of each continent based on where it lies on the longitude and latitude lines. Each continent will need to be colored (markers or paint) and clearly and neatly labeled.

- North America (5 points)
- South America (5 points)
- Europe (5 points)
- Asia (5 points)
- Australia (5 points)
- Antarctica (5 points)
- Africa (5 points)
- Identification/Color/Clear Labels/Legend or Key included & Work neatly done (5 points)

Have fun!

This project is worth 50 points and is due on Friday, November 3rd.
