In My House - Sensory Detail Sentences

Complete the below Graphic Organizer with details of things you see, hear, taste, smell, and touch in a certain room in your house. Examples of places in your house are: the kitchen, your bedroom, your playroom, your living room, your backyard, etc.

Then, you'll write a sentence to describe each sense recorded.

Remember!: You want to use words that make your reader feel like they are in the room with you!

Example: The soft, white snow melts like raindrops on my ice-cold living room window.
