

# The Southeast and the Mississippi River Choice Board Assignment

## Technology

Create a Picture Collage:

- Using an app of your choice, make a collage using pictures or drawings of the Mississippi River and places in the Southeast region.

## Creative Writing

River Adventure Story:

- Write a short story about an exciting adventure on the Mississippi River. Include details about the characters, setting, and challenges they face along the way. Use your imagination!

## Informational Writing

State Fact File:

- Choose one state from the Southeast region and create a fact file. Include information such as state motto, capital city, state bird, flower, and any other interesting facts you discover.

## Drawing/Art

Map It Out:

- Draw a simple map showing the path of the Mississippi River and the states it flows through. Label the states and major cities along the river.

River Wildlife Drawing:

- Draw a picture of an animal or plant species that can be found along the Mississippi River. Research to learn more about it and include interesting facts.

## Cooking

Regional Recipe Card:

- Find a recipe from a state in the Southeast region and create a recipe card for it. Draw a picture of the dish and write down the ingredients and instructions.
